Hi Joe,

I reviewed your Notice of Intention, and consider it to be complete. We also received your permit fee and reclamation contract.

We are awaiting your reclamation surety, which is due on Tuesday, September 22, 2015.

We also have not yet received a cultural resources survey report. Concurrence from the State Historic Preservation Office (SHPO) is required before the Division can authorize expansion of your current disturbance.

Call if you have any questions.

Peter
